

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 12, 1996

SUBJECT: **SB 3038 - HB 3026**

This bill, if enacted, will make caretakers who live on a historical site eligible for the state insurance program.

The fiscal impact of this bill is estimated to increase state expenditures by \$22,000. According to the Department of Finance and Administration there are caretakers at seven state historical sites who are not state employees. It is assumed that all seven would elect insurance coverage.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
